Athletix Products™

If the task of properly cleaning and maintaining your health club and wellness equipment is a problem, then the scientists behind Athletix Products have created solutions. Our team works directly with health club professionals and fitness equipment manufacturers to identify key cleaning issues. It's these issues, if left unresolved, that can lead to lost revenue, dissatisfied club members, unnecessary repairs and/or a staff that devotes too much time to maintenance.

The Athletix Products line is the answer for your members and staff, and was specifically developed for health clubs, wellness centers and athletic facilities. Athletix Products are effective, affordable, easy to use, and safe for use on heavy-duty as well as delicate strength and conditioning equipment. Our complete line of cleaning products offer everything you need for maintaining a clean environment for your members.

Identified in the field

One of our top executives was working out at a club one day. After watching members look for the spray bottle and towels to clean up their left-behind perspiration, he noticed the challenges of keeping facilities clean. In turn, a new product line was born, starting with the presaturated Athletix™ Equipment Cleaner wipes.

Identified by equipment manufacturers

Equipment manufacturers dislike the fact that many warranty claims are filed as a result of poor maintenance. These manufacturers have come to us with their most difficult warranty issues and we have responded with problem-specific solutions — fewer warranty claims, less downtime on the equipment, and happier club members.

Made in the USA

All products found in the Athletix Products family are made in the USA to our exact specifications. We pride ourselves on having state-of-the-art production equipment, warehousing and prompt delivery of quality products. Our manufacturing facility is ISO 9001 certified.

Athletix™ Equipment Cleaner Wipes

No more handling of chemicals and inhaling obnoxious fumes! Virtually odor-free Athletix Equipment Cleaner Wipes are designed to make workouts cleaner and more enjoyable. Athletix Equipment Cleaner Wipes allow your members to effectively remove sweat, body oils, and dirt left on exercise equipment by the prior user. The alcohol-free and ammonia-free wipes are safe for normal repeated use several surfaces. Effectively removes sweat and grime and neutralizes odors that tend to build up on soft surfaces. Prevent cross-contamination caused by multi-use cloth towels. Just wipe and go!

Features and Benefits

- **Alcohol-Free and Ammonia-Free Formulation** Contains no alcohol and is safe to use on vinyl, leather, chrome, rubber, foam grips, painted surfaces and electronic displays. Will not dry out or chap hands.
- **Avoid Damage Using Wipes** Eliminate possible over application from spray bottles, reducing the chance of damaging sensitive electronic components.
- **Quick and Easy** Simply dispense one wipe, clean the exercise equipment, and toss the wipe in the trash.
- **Breathe Easier** Virtually odor-free formulation prevents inhaling of harmful fumes caused by possible over application of spray cleaners.
- **Hassle Free Loading** Refilling the dispensers is easy and quick. The semi-transparent wall dispenser makes it easy to see when a new roll is needed. Study and sleek stainless steel stand also available. See page 4 for all options.
- **Cost Effective Option** Available in 900-count rolls.

*"Athletix™ Equipment Cleaner
wipes effectively remove sweat
and dirt on equipment"*

Athletix™ Disinfectant Wipes

Athletix Disinfectant Wipes are a quick and convenient way to disinfect surfaces in your health club, fitness facility or spa. Premoistened and ready to use, the durable, disposable wipes are packaged 900 per roll in a portable dispenser bucket. Athletix Disinfectant Wipes kill antibiotic-resistant bacteria MRSA and CA-MRSA, and are effective against many common bacteria such as *Staphylococcus aureus* (Staph), *Salmonella enterica* (Salmonella), *Streptococcus pyogenes* (Strep) and *Escherichia coli* (E. coli)*. Athletix Disinfectant Wipes have been shown to kill flu virus**, and kills Pandemic 2009 H1N1 Influenza A virus** (formerly called swine flu). Please see product label for a complete list of organisms.

Most effective when used on hard non-porous surfaces, Athletix Disinfectant Wipes are ideal for disinfecting athletic and gym equipment, cycling equipment, weights, yoga mats, fitness balls, benches, lockers and more. Our Ortho-phenylphenol (OPP) free wipes contain no ammonia, bleach or alcohol and are safe for most surfaces found in fitness facilities and gyms including acrylic, chrome, rubber, vinyl, ceramic tile and fiberglass. Always read the product label and follow directions.

Features and Benefits

- **Equipment Safe** Alcohol-free, bleach-free, and Ortho-phenylphenol (OPP) free.
- **Right Amount of Liquid** Different spray techniques from patrons and staff can over apply disinfectants. Our presaturated wipes help to release the right amount of liquid on the targeted soiled areas.
- **Registered in All 50 States** Some disinfectants cannot be sold in California as they are potential carcinogens (California Proposition 65). Athletix Disinfectant Wipes are registered in all 50 states, including California.

* When used as directed on hard non-porous surfaces

** Influenza A₂/Japan

Part No.	Description	Packaging

ATHD0201	Athletix Disinfectant Wipes, 8" x 6" (20 x 15cm), refill rolls	900 wipes/roll, 2 rolls/case

"Athletix™ Disinfectant Wipes kill MRSA, CA-MRSA, Staph, Strep, E. coli and more"

Athletix™ Cleaner Spray

Perspiration and other contaminants lingering on the surfaces of gym and fitness equipment can lead to mildew and unpleasant odors. Some cleaners currently used in facilities contain harsh chemicals that might not be compatible with your facility, its equipment, or your members. Athletix Cleaner Spray's chemistry is member-friendly and safe for repeated use on the equipment and surfaces found in your facility. Ideal for yoga mat cleaning. Can be used with the Contec® Floor Mop, part number ATFM0001.

Features and Benefits

- **Alcohol-Free Formulation** Safe for use on vinyl, leather, chrome, rubber, foam grips, painted surfaces, and electronic displays.
- **Patented Nano-Polymer Technology** Leaves behind an invisible protective barrier on surfaces, keeping them clean longer and reducing odor-causing elements.
- **Gentle Chemistry** Designed for repeated use on sports and fitness equipment; virtually odor-free formula; will not irritate the user's hand if it comes in contact with the concentrate.
- **Economical** Refillable bottle for multiple use reduces the cost of cleaning equipment.
- **Easy-To-Use Refill Packets** Snip, pour, and fill to the line for effective cleaning and deodorizing.

XWES0625	Athletix Cleaner Spray refill packets, 1.6 fl. oz. (47.3 ml)	25 packets/box, 6 boxes/case

"Gentle, alcohol-free formula cleans and deodorizes"

Athletix™ Guide Rod Wipes

Working out on fitness equipment is made more difficult when weights and mechanisms bind and chatter because of dust, oils and grime that build up on weight machine guide rods. Members can see and feel the negative effects of dirty guide rods. Keep weight machines working and looking new with Athletix Guide Rod Wipes.

Athletix Guide Rod Wipes provide an easy, one-step process to clean and protect guide rods, and apply just the right amount of lubricant, preventing excess solution from dripping and running between weight plates. These wipes lay down a PTFE protective lubricant that repels dust, allowing your machines to look and work like new longer. Athletix Guide Rod Wipes are ideal for guide rods, elliptical tracks, seat slides and other sliding mechanisms.*

* Never apply any lubricants to handgrips, seating surfaces, pads or friction surfaces such as fly wheel brakes or resistance brakes.

Part No.	Description	Packaging
XWGR0001	Athletix Guide Rod Wipes, 6" x 9" (15 x 23cm)	30 wipes/canister, 5 canisters/case

Dispensers & Stands

Athletix Products realizes that your facility has specific needs and budgetary requirements. Athletix Products dispensers and stands are available in a variety of options including wall-mounted, free-standing, or multifunctional for a custom look and feel.

Bucket Dispenser XWEW0005

- Reusable bucket holds one roll of wipes
- Made of high density polyethylene

XWEW0005	Bucket Dispenser for Athletix Equipment Cleaner Wipes	1 each/case

Contec® Floor Mop

Disposable Premira II Microfiber Pads clean up the mess without spreading germs.

A lightweight and convenient option that eliminates the process of laundering dirty mops and is a one-step alternative to traditional mops and buckets. Unlike plastic retail mops, the Contec Floor Mop is designed for commercial use. The industrial-strength, yet lightweight thermoplastic and aluminum construction glides easily across health club floor surfaces when used wet for mopping or dry for dusting and sweeping. Features a 32 oz. refillable bottle that is easily removed for rinsing.

The ergonomically-friendly mop design is compatible with cost-effective, patented disposable Premira® II Microfiber Pads that have excellent pickup performance and eliminate cross-contamination, unlike cotton, rayon and other laundered mops. Use the pads until their cleaning capacity is reached, then simple toss used pad in the trash. The Contec Floor Mop increases both member and employee satisfaction—the facility is clean, and employees are able to complete the task faster and more effectively.

The Contec Floor Mop is great for use in restrooms, steam rooms, locker rooms, and for quickly turning studio rooms in between classes.

Features and Benefits

- **Disposable Premira II Microfiber Pads** Absorbent pads clean up the mess without spreading around germs.
- **Semi Disposable Hygienic Backer Plate** Eliminates sources of contamination traditional mop heads can't while dispersing liquid more uniformly and cleaning across more surface area.
- **Dispensing Tank** Hassle-free alternative to mop buckets, 32 oz. tank provides measurable solution control.
- **Lightweight Mop** Designed for quick and easy cleaning of most floor types.
- **Convenient Size** Suitable for small to large rooms and features a wider mop head than commercially available options.
- **Increased Customer Satisfaction** Gives customers peace of mind knowing a fresh, new pad is used every time.

Part No.	Description	Packaging
ATFM0001	Contec Floor Mop System (mop hardware, QuickConnect mop head frame, Premira Hygienic Backer Plate)	1 each/case

Contec Floor Mop System (ATFM0001) shown with Premira II Microfiber Pad (PRMM0001) and Premira Hygienic Backer Plate (HCPH8005)

"For added convenience and efficiency, use with Athletix Cleaner Spray packets (XWES0625) designed for 32 ounce tanks and bottles"

PREMIRA® Tight Quarters Mop

Conveniently-sized 5" x 11" Premira Tight Quarters Mop is perfect for those hard to clean, confined areas. Made of heavy-duty stainless steel for a professional appearance and durability and features a hook for easy storage. The flexible pivoting head allows for maximum maneuverability and ensures even the most awkward areas can be reached with ease. Ideal for inside lockers, behind toilets in restrooms, and cleaning of floor level mirrors in studios where balance bars separate mirrored walls. Use the ergonomically-friendly Premira Tight Quarters Mop for tasks that are an arm's length away.

Part No.	Description	Packaging
ATFM0120	PREMIRA II Microfiber Pads, 5" x 11" (13 x 29cm)	20 each/bundle, 1 bundle/case
HCPH8004	PREMIRA Tight Quarters Hygienic Backer Plate, 4" x 9" (10 x 23cm)	2 each/bag, 8 bags/case
HCPH1005	QuickConnect mop head frame, 7.5" (19cm) stainless steel	1 each/case
2686	QuickConnect handle, 16" (41cm), stainless steel, lightweight	1 each/case

PREMIRA Tight Quarters Mop

Contec® Mirror, Floor, & Mat Mop

Quickly and efficiently clean your entire studio with this easy to maneuver mop. The sleek Contec Mirror, Floor, & Mat Mop is constructed of anodized aluminum, making it ultra-lightweight, yet durable, unlike common retail plastic mops which can deteriorate quickly. The ergonomics-enhancing telescoping handle allows the user to extend or retract the mop to the exact length required for the task, reducing operator strain. The versatile Premira II Microfiber Pads are ideal for dry dusting, damp mopping floors and mats, and for cleaning of mirrors, without the hassle of laundry and spreading of germs that can happen with reusable mops. Eliminate overreaching associated with cleaning floor-to-ceiling mirrors and free up space in your housekeeping closet with this all-in-one mop.

Part No.	Description	Packaging
PRMM0001	PREMIRA Disposable Microfiber Pad, 5" x 19" (13 x 48cm)	20 each/bundle, 12 bundles/case
HCPH8005	PREMIRA Hygienic Backer Plate, 4" x 16" (10 x 41cm)	4 each/bag, 1 bag/case
HCPH1001	QuickConnect mop head frame, 11.5" (29cm), stainless steel	1 each/case
2643	QuickConnect handle, 50" (127cm) extends to 90" (229cm)	1 each/case

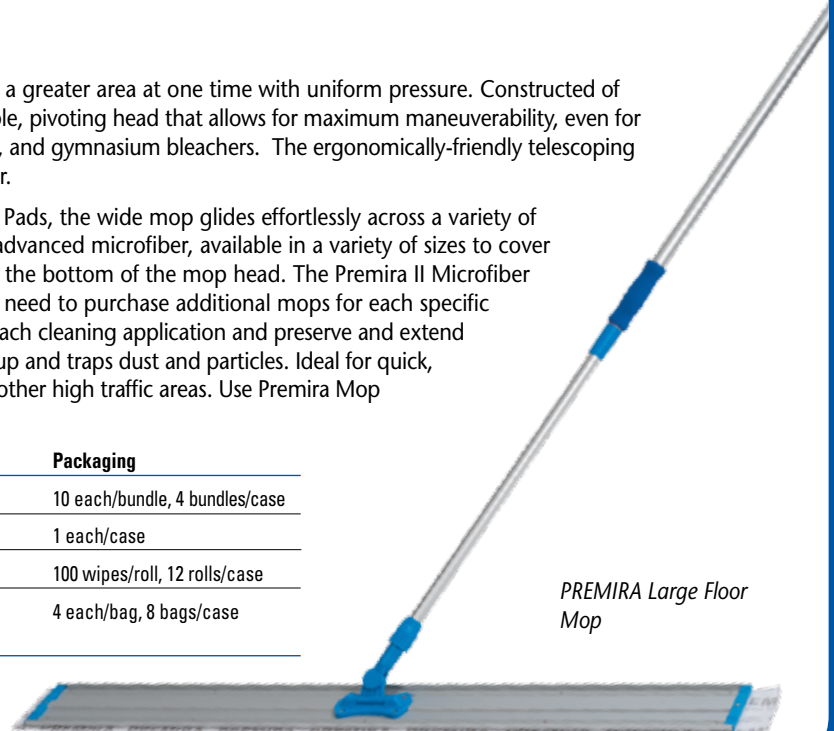

Contec Mirror, Floor, & Mat Mop

PREMIRA® Large Floor Mop

Commercial grade Premira Large Floor Mop saves time by covering a greater area at one time with uniform pressure. Constructed of lightweight, yet heavy duty aluminum, this 48" mop features a flexible, pivoting head that allows for maximum maneuverability, even for hard to reach areas like under gym equipment, locker room benches, and gymnasium bleachers. The ergonomically-friendly telescoping handle is retractable, increasing functionality and comfort for the user.

When used with premium quality, disposable Premira® II Microfiber Pads, the wide mop glides effortlessly across a variety of smooth floor surfaces including laminate, tile, and hardwood. The advanced microfiber, available in a variety of sizes to cover the full width of the frame, self-attaches to hook and latch strips on the bottom of the mop head. The Premira II Microfiber Pad can be used for dry sweeping or wet mopping, eliminating the need to purchase additional mops for each specific task. Enhance your cleaning performance with a fresh, new pad for each cleaning application and preserve and extend the life of your floors with non-scratch Premira that effortlessly picks up and traps dust and particles. Ideal for quick, efficient cleaning of gymnasiums, studio rooms, aisle walkways, and other high traffic areas. Use Premira Mop Reservoirs for additional surface conformity and solution laydown.

Part No.	Description	Packaging
PRMM0003	PREMIRA Disposable Microfiber Pad, 5" x 51" (13x 130cm)	10 each/bundle, 4 bundles/case
4811	Aluminum mop head frame with handle, 5" x 48" (13 x 122cm)	1 each/case
PRMW0006	PREMIRA Light Duster Cloths, 6" x 9" (15 x 23cm) perforated roll	100 wipes/roll, 12 rolls/case
HCPM1001	PREMIRA Mop Reservoir, 4" x 16" (10 x 40cm) <i>Use 3 reservoirs with the 4811 to enhance surface conformity.</i>	4 each/bag, 8 bags/case
